

The Last Minute Club

Sponsor the **Last Minute Club** and get your message out to **1,800 daily subscribers.**

Executive Golf's Last Minute Club (LMC) is a subscriber service where members are notified via email, every morning, about great last-minute deals on golf.

Updates are sent out at 7:30 a.m. listing the available spots and courses for that day, and for the next day, so our 1,800 subscribers actually look forward to the updates and read them carefully.

Get your message out to 1,800 subscribers who pay attention!

To: LMC Members
