

Golf Show Promo

As a staple event since 1994, the Ottawa-Gatineau Golf Expo is the region's unofficial kick-off to the outdoor season AND a great chance for you to advertise your business without actually attending the show.

The golf show attracts over 10,000 visitors and we offer you a unique opportunity to distribute a promotional item to **2,000 local golfers** as they visit the Executive Golf exhibit, which has proven itself to be one of the show's most popular attractions... year after year.

Contact **Jamie** to discuss how Executive Golf can help promote your business.
